ORIGINAL ESSAY WITH CORRECTIONS

Friendship Friendship is very important in life but not everyone know how to make it or to keep it. Many people think friend is just someone to talk with when you are happy, but true friendship is more deep. A real friend is the one who stand with you when you fail, when you are sick, or when your family is not ~~there~~! \1. \2n my own life I see the power of friendship. One year I was very lonely at school, no one want to sit with me, people laugh when I try to answer. Then a girl called Sarah just sit with me. She was not rich and not very clever, but she share her food and her smile. From that I learn friendship is not about money or clever but about caring ~~heart~~.B \1. \2ut friendship is not always easy. Two people come from different family, different behavior. One like noise, another like silence. That can make quarrel. I remember I lost a friend because of jealousy. She pass exam better than me and I feel angry. Instead of be happy for her, I stop talk with her. Later I regret. True friend must b
